ABOUT ME

I consider myself to be a very hardworking person that is goal orientated. I strive to do the best in everything that I do. My skill set allows me to adapt to any circumstance and working environment easily. I have a hunger for gaining experiences, developing myself and remain dedicated in everything I do.

EXPERIENCE

Contractor Apr 2022 – Aug 2022

Pepkor

We operated in small teams of two to three individuals, focusing on the sanitization, assembly, and packaging of items. These products were then distributed to various Pep stores within Cape Town.

Sales Agent Aug 2022 -Feb 2023

Mango5 Dotsure

I was part of a collaborative team that received comprehensive training in insurance sales. Our mission was to enhance people's quality of life by providing them with tailored insurance solutions.

Financial Broker Apr 2023 - Nov 2023

Sanlam

I worked as an insurance sales representative, representing Syncarpha Bluestar, an affiliate of Santam and Sanlam. My responsibilities included selling both long-term and short-term insurance products.

House Steward Jan 2024 - Apr 2024

IHS House Stewards

I worked as an insurance sales representative, representing Syncarpha Bluestar, an affiliate of Santam and Sanlam. My responsibilities included selling both long-term and short-term insurance products.

Developer Apr 2024 - Apr 2025

Life Choices

I am currently enrolled at Life Choices Academy, where I develop live websites and continue to advance within the industry, working toward my goal of becoming an expert programmer.
